The Hilton Raiders is a member of the American Youth Football & Cheerleading League (AYFCL) organization. It is our goal to provide each child with an environment that promotes a positive attitude, builds confidence and character through teamwork and sportsmanship and emphasizes the fundamentals of playing and enjoying the game.

As part of a not for profit, independent football and cheerleading league based in the Greater Rochester, New York Area, the Hilton Raiders rely solely on volunteers to provide leadership and support to the organization, both on and off the field, and fundraising to provide safe, essential equipment to our kids. We are proud to recognize the commitment of our families and the support we have in our community, but the 2009 season is already presenting additional challenges and we could use your help.
